
Programs and Activities

WPC offers a variety of programs and activities for its members. Through these networking, education, and training events, members can capitalize on a wealth of industry information, to share and combine their knowledge on many important issues such as store and field management, safe equipment operations, employee education, and other target areas.

Membership dues are based on type of business, number of employees, and in annual sales.

WORLD PAINTBALL COMMISSION

WORLD PAINTBALL COMMISSION

***Dedicated to Promoting
the Paintball Industry Worldwide
through Education and Safety***

***For some,
it's just
a game...***

*For some, it's just a game.
For the rest of us ... It's a way of life!*

Paintball is now the fastest growing action sport in the world, growing at a phenomenal rate of 20% each year. In the past 10 years, we've come out of the woods and into our own through amateur and pro leagues, college teams, 2000 plus retail stores and playing fields from coast to coast, and tournaments and events held worldwide.

The incredible popularity of the sport has allowed our businesses to grow from a hobby for many to full-fledged, highly successful companies. Such rapid growth inevitably produces challenges. To meet those challenges requires open, honest dialogue and the ability for the industry to adapt and change as it expands.

We shall have to pursue our goals through new and different channels, be open with our minds and generous with our cooperation to secure a strong future for us all.

The World Paintball Commission's (WPC) goal to be is the catalyst for that change, uniting veterans and newcomers to address the emerging issues and create industry wide solutions that will secure a strong future for Paintball.

Our vision is to be a recognized voice for the industry. The strength of the WPC lies in its membership; each participating company plays an integral part in providing information, opening lines of communication, and supporting industry standards for better, safer, equipment and training.

Our Vision

Membership is open to all businesses in every segment of the industry—from retail and wholesale distributors, manufacturers, and mass merchandisers to field owners, media sources, leagues, individual players and others.

As a member of WPC you'll have the opportunity to:

- **Network** at regional and national meetings
- **Participate** in national and local Paintball education and safety campaigns
- **Have access** to industry expertise and tools to aid your business growth
- **Learn** about issues of importance via WPC's website and electronic newsletter
- **Help** educate your employees, Paintball players, parents, and others with tools and training designed for and by Paintball stores and fields

Member meetings are held around the country at major events and tournaments to share ideas, discuss common problems and experiences and find the answers to industry wide issues. Participation brings together members and viewpoints which might not otherwise be heard.

Join us today and help WPC achieve success in promoting and improving education and safety standards in the world of Paintball and in the process further your own business success.

***Get
Involved!***

Make a difference by joining WPC, sharing your thoughts and ideas, being open to change, and inviting others to do the same.
